RE: **iKare – Hurricane Harvey**

All of you know the devastation caused by Hurricane Harvey that has caused massive destruction in Texas and along the Gulf Coast. With over 10,000 people being displaced from their homes, this is a time every one of us can play a part in assisting some of those families in need. Many of you have called and asked how can we be of service.

Our primary goal is to raise over \$100,000 for iKare that we can use to support the victims of Hurricane Harvey. I am asking each chapter, as well as individual brothers, to donate to iKare Disaster Relief Fund so that we may provide monies to help assist some of these families. At your next chapter meeting, either through the chapter's exchequer or individual brothers, please donate to iKare so we can support this initiative.

We have seen the devastation that has ruined many families in the areas mentioned above. Our Grand Polemarch, Thomas L. Battles, Jr. said it best, "Now is the time for us to stand up for those families, women, children, and elderly who are in need by giving." Brothers, open your hearts and give to this worthy cause. This will be our initial step in providing support. We will endeavor to have canned food and clothing drives during the coming months.

Please send all of your donations to the Southeastern Province Keeper of Exchequer Charles Bell so that we can collectively send a check to iKare on behalf of the Southeastern Province.

Your continued efforts to make the Southeastern Province a leader in Kappa Alpha Psi Fraternity, Inc. will not go unnoticed, and will certainly be acknowledged.

Yours in the Bond,

E. Delane Rosemond, Esq.
