

Brothers, We Need You Now!

Introducing the Undergraduate COVID-19 Relief Fund

Brothers,

The COVID-19 pandemic has disrupted our society in ways we never imagined. It has also altered the education plans and career development of our more than 3,000 undergraduate Brothers nationwide. While no one could have foreseen the far-reaching impact of this national pandemic, we must now work together to minimize the potential harm to our undergraduate Brothers in need. We stand ready to do our part and provide assistance and support.

Kappa Alpha Psi Fraternity, Inc., via the Senior Kappa Affairs Endowment Fund, the National Silhouettes, and the Kappa Alpha Psi Foundation have joined together to create the Undergraduate COVID-19 Relief Fund. The Fund's purpose is to assist undergraduate Brothers of Kappa Alpha Psi who truly need financial assistance to get them through these turbulent times. The grant awards will be based on need.

The Undergraduate COVID-19 Relief Fund is designed to offset some of the financial hardship due to the unprecedented impact of COVID-19. This includes, but is not limited to, housing, job loss, food insecurity, parent job loss, medical, or student loans.

Undergraduate Brothers, applications for this scholarship must be completed in its entirety using the appropriate [form](#). The application must be submitted to the International Headquarters through the online submittal portal by the deadline. **The first deadline will be June 24, 2020.** Applications containing information that is determined to be false or inaccurate and/or incomplete will not be considered. If you have any questions about completing the application, please contact Brother Trenton A. Nettles at tnettles@kappaalphapsi1911.com

Brothers, we project that the existing resources in the COVID-19 Relief Fund will assist approximately 15% of our Undergraduate membership. In order to help more Brothers now, and when they return to school this fall, we are in need of your support.

From May 25-30, 2020, we are asking for your support of the Brothers for Brothers Week of Giving by helping us raise additional funds for the Undergraduate Relief Fund. Every dollar raised will go directly to our undergraduate Brothers in need. In addition, all donations will also be documented for all Brothers who are participating in the Foundation's Legacy Giving Program.

For more information on how to give to the Undergraduate Relief Fund, please visit kappaalphapsi1911.com or thekappafoundation.org.

Together, through **Brothers for Brothers**, we can support our Undergraduates during this dire time.

Thank you.
