**Q. May I purchase insurance for my cruise through the website?**

**A.** You will have the option to obtain a quote and purchase trip insurance directly with Travel Guard through the reservation site after making your first reservation payment (deposit or full payment). The purchase of travel insurance is optional; and it is your responsibility to manage all details or updates as apply with Travel Guard for such coverage.

**Q. When registering do I need to use my legal name and gender?**

**A.** Yes, when registering please use your name and gender as shown on your travel documents.

**Q. What documentation is required to cruise?**

**A.** Proper travel documentation is required at embarkation and throughout the cruise for all passengers. Even though a passenger has completed the cruise line's online reservation, it is still passenger's responsibility to present the required travel documents at the time of embarkation. Any passenger without proper documents will not be allowed to board the vessel, and no refund of the cruise fare will be issued. RCI, The Southern Province and its agents/affiliates assume no responsibility for advising passengers of proper travel documentation.

RCI highly recommends all passengers travel with a government-issued passport that is valid for at least 6 months following the return of the cruise. Although a passport is not required for U.S. citizens taking cruises that begin and end in the same U.S. port, travelling with a passport may help to expedite your CBP clearance upon return to the U.S. Additionally, passports are required in the event you need to fly from the U.S. to a foreign port should you miss your scheduled port of embarkation or need to fly back to the U.S. for emergency reasons.

The Western Hemisphere Travel Initiative (WHTI) currently allows U.S. citizens (including children) sailing on cruises that begin and end in the same U.S. port to travel with one of the WHTI compliant documents, listed below:

- ✈ Valid U.S. Passport
- ✈ Passport Card
- ✈ Original Birth Certificate issued by a government agency along with a government issued photo ID if 16 years of age and older
- ✈ Original Certificate of Naturalization
- ✈ Trusted Traveler Program Membership Card, e.g., Nexus Card, Senti Card or Fast Card
- ✈ Enhanced Tribal Card
- ✈ A Consular Report of Birth Abroad
- ✈ Enhanced Driver's License (EDL) – only acceptable at land and seaports of entry. It cannot be used for air travel outside the U.S. The word 'Enhanced' must appear on the driver's license. The following five states currently issue an EDL: Michigan, Minnesota, New York, Vermont, and Washington.

Copies of US passports/naturalization papers, hospital certificates and baptismal certificates are not WHTI compliant documents and are therefore NOT acceptable.

Requirements are subject to change, and it is each guest's responsibility to ensure that he/she has the appropriate documentation.

For more information on the documentation requirements, please see the cruise line's [website](#).

**Q. I don't have a passport. How do I obtain one?**

**A.** Please visit the U.S. Department of State [website](#) for all passport information. Passport processing may take 8 to 13 weeks, please be sure to allow enough time to receive your passport before embarking on the cruise.

**Q. Who May Sail?**

**A.** Passengers are responsible to ensure that they are eligible to sail according to Royal Caribbean's requirements, including but not limited to the following:

- ✈ Infants must be at least 6 months old on the day of departure.

- ✈️ Women must be less than 24 weeks into their pregnancy on the day of departure and for the duration of the cruise. This policy is due to the risk of premature labor. Pregnant women must have a letter signed by their doctor (on the physician's letterhead) stating how far along in weeks their pregnancy will be at the beginning of the cruise, that mother and baby are in good health and fit to travel, and that the pregnancy is not considered high-risk.
- ✈️ Adults must be 21 or older unless the passenger is:
  - traveling in the same stateroom with an individual 25 years or older; or
  - traveling in the same stateroom with a spouse (proof of age and/or proof of marriage are required)

Passengers not meeting the cruise line's requirements will be denied boarding, and no refund of the cruise fare will be issued. These policies are set by the cruise line, and **no exceptions are allowed**.

**Q. How do I make changes to my existing reservation?**

- A.** Any changes in registrations must be made via the online registration system. Until approximately 60 days prior to sailing, most changes to existing registrations can be made by logging into the cruise registration system. Within 60 days of sailing, any change requests will need to be submitted via email to [SouthernProvinceCruise@landrykling.com](mailto:SouthernProvinceCruise@landrykling.com).

**Q. Can I make a name change on my reservation?**

- A.** Name changes are permitted at the discretion of the cruise line, but at least one of the original and/or primary financially responsible guest's names must remain on the reservation. If all original guests cancel, this is considered a full cancellation without refund, and name changes will not be allowed.

In all cases of name changes, the "new" guest must make the full payment amount due as of the date of the name replacement in order for the guest being replaced to receive a refund of payment amounts previously made.

**Q. Can I change the number of guests in my room reservation?**

- A.** Yes, you can - subject to availability. Rates are based on the number of guests in your reserved stateroom. Changes in occupancy will result in a rate increase or decrease, depending on the type of change. No refunds will be issued for any decrease of rate change until the stateroom has been paid for in full.

While many staterooms can accommodate more than two people with a sofa bed or upper berths stored in the stateroom ceiling, etc., not all rooms can; and such accommodations are subject to availability at the time of reservation. Due to Coast Guard safety regulations, there cannot be more guests accommodated in a stateroom than the designated occupancy for that room. Also, please be advised that each guest must be registered and paid for in full in order to be allowed to board the ship.

**Q. Can I change my stateroom after I make my reservation?**

- A.** Stateroom changes to another room within the same room category or higher can be made until 60 days prior to sailing and require authorization by all parties named on the reservation. A stateroom change to a room category lower than the room category of the original reservation would be considered a room cancellation and rebooking, and cancellation fees would be applied.

**Q. I am traveling solo. Will you find me a traveling partner/roommate?**

- A.** When you book your cruise, simply click on the reservation button for one passenger then click the option that reads "I wish to be matched with another single traveler and pay the double occupancy price." Best efforts will

be made to pair you with a roommate of the same gender and within the same stateroom category, however roommate requests are not guaranteed. Please refer to the Single Share Terms & Conditions for additional information.

**Q. How do I check-in for my cruise and receive my cruise documents?**

**A.** Approximately 3 to 4 weeks prior to the sailing date, guests who have booked and paid in full will receive an email with their cruise line booking number for the cruise. The email will also contain instructions on how to check-in online via Royal Caribbean's website - where guests can sign up for shore excursions, make specialty dining reservations and pre-register a credit card for onboard purchases. All guests are required to complete the online check-in at least four days prior to cruising. Cruise documents will be available for printing through the cruise line's online check-in approximately 30 days prior to sailing.

**Q. What should I pack?**

**A.** Daytime: Casual attire is always appropriate day wear and in port, and includes jeans, shorts, tees, tank tops, polos, sundresses, and blouses. (Please keep swimwear for the pool deck only.). Also, be sure to bring low-heeled, comfortable shoes for deck activities and shore tours; and a hat, sunscreen and sunglasses are highly recommended.

Evening: For most evenings, casual attire (excluding tank tops and shorts) is fine; or you may wish to take it up a notch with collared shirts, slacks, skirts, etc. One evening of your cruise will have a "Wear Your Best" attire designation, which is your chance to get glamorous, be chic and shine - your way.

Reminder: Travel documents, valuables and medications should be packed in carry-on luggage.

**Q. Can the ship accommodate special dietary needs?**

**A.** Royal Caribbean can accommodate special diets that have been created in consultation with a dietary specialist. Selections offered are for lunch and dinner in the main dining room only.
